#### Parent Input Analysis Summary

Harper Elementary School hosted a total of two meetings to provide parents and family members with the results from the 2019 Spring Survey.

Question 4a on the survey asks, "How would you like to see the parent and family engagement funds used at your child's school?" The results from the survey was as follows:

15% - Family Engagement Coordinator

15% - Parent Workshops

30% - Technology Resources

25% - Educational Materials for Parents

10% - Parent Resource Center

5% - Other

The percentages were added to a pie chart to display the categories and the percentages for each. After each meeting parents were encouraged to complete the evaluation form acknowledging that they had the opportunity to provide input. The budget was copied and sent home with all students on Friday, October 4, 2019. As the input results were returned Mrs. Coleman collected each to update the pie chart.
